State of Maine Waiver of Competitive Bidding Request Form

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Provider will be providing additional trainings around suicide prevention best practices and additional access to the Suicide Safer Care Training Portal to behavioral health and medical care providers. This is a result of Year One carryover funding from the Substance Abuse and Mental Health Services Administration (SAMHSA) *Cooperative Agreements to Implement the National Strategy for Suicide Prevention* (NSSP) grant.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Sufficient staffing, resources or expertise is not available within the Department or other governmental entity to provide this service. This is supplemental funding to the existing program for expansion of these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The costs are consistent with the existing rates within the current agreement.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department does not intend to RFP these services at this time. In the event that this provider or any other provider is not named in the Federal Grant, the Department will reevaluate competitive bidding this service.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This Provider has prior experience implementing the specific suicide prevention intervention that was identified in the Cooperative Agreement and is currently the only organization in Maine with that background and capacity.

Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
