Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The contracted school system is one of five schools selected to participate in the Maine PreK Curriculum Pilot. Schools responded to an open application which was advertised through Maine DOE news.
