<b>1. Statutory Justification</b> State of Maine statute (5 M.R.S. §1825-B(2)) allows waivers of competitive bidding only for the specific reasons listed below. Please mark the appropriate box (X) next to the justification which applies to this specific request.

competitive procurement, please provide that reference here:

**Please note that the following four points below (#2 through 5) all require a response.**

## 2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Erica Johnson Design is a preferred vendor for graphic design services (RFP 201606120) and has designed the original files for Maine's Hunting, Fishing, Trapping and ATV/Snowmobile law books as well as the hunting related quick reference guides. These files need to be updated with the 2018-2019 season dates, bag limits and updated laws. These files need to be updated quickly for the hunting law book publishing and distribution by the start of August (current hunting law book expires July 31).

## 3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Due to the uniqueness of the existing files, it has been determined that the project could not be completed within the required timeline by government staff.

## 4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The costs associated with this project are based on the approved hourly rate as outlined in RFP #201660120.

## 5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

When the law books require a re-design in the future, the competitive bid process will be utilized to identify a graphic designer from the Department's existing preferred vendor list.

**Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.**

**6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The design files for these books was created by this specific vendor. The costs associated with hiring a different graphic designer would be prohibitive. Additionally, the urgent deadline for the hunting law book would not allow the design of a new file to be completed by a different vendor.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
