State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

In 2018, the Maine Drug Enforcement Agency identified a need to improve the handling of suspected illicit drugs. With the changes in drug trends, Maine Drug has had to modify its procedures and policies to adapt to those changes to remain efficient and effective while mitigating the safety risk to its agents. Yet, Maine Drug Enforcement agents may need to perform an identification test of the suspected illicit drug for the purpose of establishing probable cause for further enforcement action. Having filtered workstations will permit an agent trained in the proper handling of suspected illicit drugs, the proper utilization of personal protective equipment, and the proper testing to conduct field testing of seized substances utilizing a filtered workstation thereby avoiding potential exposure to micro-particles. This will ensure agent safety when handling potentially dangerous substances according to best practices. Mystalre Inc's Isola™ Vue Filtered Workstations were acquired and deployed In August 2018. These units have a one-year warranty that expires this month. (8 units)

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

This is a procurement of manufacturer warranty not available within Maine State government or other governmental entities.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The vendor is the only manufacturer of the sole source provider and manufacturer of the desired filtered workstation. A quote was requested based upon the filtered workstation's warranty being purchased.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Agency will continue to pursue best practices for continuous improvement of its operations, technology and its costs through networking with other law enforcement associations and alliances.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The Isola™ Vue Filtered Workstation may only be purchased from Mystaire Inc., as Mystaire Inc. is the sole manufacturer of the workstation.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
