<input type="checkbox"/>	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;

The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;		
	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i>

	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.	
	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:	

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

DDPC's clinical director resigned on July 31, 2019. The hospital has not been successful in filling the State Clinical Director line prior to or upon the previous Director's departure. It is a mandate of the Centers for Medicare and Medicaid Services (CMS) that the hospital must have a Clinical Director. Coverage has been arranged for the short-term until this contract could be encumbered. This contractual Clinical Director will be utilized until such time as a permanent replacement can be hired Recruitment, interviewing and the credentialing of a Clinical Director will require time and this contractual position will provide the mandated coverage until the State line can be filled.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

There are no other available public resources.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The negotiated rate is in alignment with other providers presently contracted at Riverview Psychiatric Center and with past Clinical Director positions at Riverview Psychiatric Center. DDPC has never needed to contract for a Clinical Director.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

There is no plan to contract this service in the future unless it is deemed that the hospital cannot fill the State Line after a sufficient period of time recruiting for the State line position. If the state line for this position is not filled, the Department will utilize the contract resulting from an RFP for Payroll Services for Medical Staffing which is set to be completed for a 1/1/2020 contract start date.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

A Clinical Director is required immediately at Dorothea Dix Psychiatric Center in order to maintain consistent and appropriate medical services to the patients and in order to comply with the mandated (CMS) requirement for a Clinical Director. As soon as a qualified candidate is found and hired, this contract will be terminated.
