Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Legislature appropriates funding to the Maine Technology Institute annually for the purposes of funding their programs. The State Controller is directed by statute to pay MTI's total state allotment on July 1st. There is no mechanism in place for the Controller to pay MTI directly so DECD is designated in the annual contract as the pass-through entity.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Maine Technology Institute exists in statute to administer this program pursuant to 5 MRSA, Chapter 407. The MTI director is an employee of DECD, the remaining staff are MTI employees.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Legislature appropriates funding for the Maine Technology Institute. These funds are passed through DECD to MTI via a grant/sole source.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Account 01019A099501 entitled "Innovation, Office of" is a dedicated account that provides operating funds in Object 6400 to MTI.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

MTI is a statutorily-created nonprofit corporation with the specific purpose of providing funds for research and development activities that lead to the commercialization of new products and services in Maine's technology-oriented sectors and the successful development of technology-oriented business clusters, 5 M.R.S. § 15302
