2. Description of Specific Need
Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

[The Department and Provider have agreed to an additional 30-day term to allow additional time to work out specific contract language.]

Correctional healthcare is an extremely complex and specialized service. It is also highly regulated (state/federal rules and standards) and the Department aims to meet these requirements in our ongoing efforts to provide quality, comprehensive healthcare services to all prisoners/residents within the MDOC system. The provision of coordinated, evidence-based healthcare services is an essential part of the rehabilitative process which is also a primary goal of the Department. Additionally, a cohesive, cost-effective healthcare system is integral to the safety and security for prisoners/residents and Department staff, as well as MDOC operations as a whole.

3. Availability of other Public Resources
Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

**State of Maine
Waiver of Competitive Bidding Request Form**

Maine State government is not equipped to provide this highly specialized service, nor is the Department aware of any other government entity capable of providing this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The rates set forth in this amendment are consistent with rates this provider has charged under the existing contract which the Department considers to be fair and reasonable.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department will seek competitive bids to renew said services to align with the next biennium budget.

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
