PART III: SUPPLEMENTAL QUESTIONS

Please respond to ALL of the following questions.

1. Provide a more detailed description of the goods, services or grant to supplement the response in Part I.

The Department has an urgent need to relocate one patient from Riverview Psychiatric Center (RPC) to another location. RPC does not currently have the resources available to provide the level of medical, psychiatric and other specialized care required by this patient and assure that the services required for other patients housed within the institution are not compromised. Maintaining this patient at RPC may precipitate the loss of the facilities Joint Commission accreditation and the State's Specialty Hospital License to RPC as a hospital. A previous determination from CMS has indicated that the additional security and behavioral controls needed for this patient would diminish the acceptable standards of care in a psychiatric hospital. Superior Court Judge Murphy has ordered that the DHHS Commissioner, through RPC, identify and locate the patient to an appropriate safe setting for the specialized treatment needed by this patient.

PART III: SUPPLEMENTAL QUESTIONS

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

This is a continuation of the current contractual agreement with Correct Care. The original agreement was approved due to the urgency of the situation. DHHS has been satisfied with the services provided by the Provider and wish to continue the current agreement. To ensure continuity of care for the patient currently residing at Correct Care, it is vital that this agreement continue.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

This patient is under DHHS custody and requires specialized psychiatric and medical services. Due to the unique combination of this patient's needs, it is extremely difficult to locate suitable arrangements for this patient.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP this service.
