PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

PBIS is a research and evidence based multi-tiered system of support framework that benefits students, educators and school communities. The Maine Department of Education is scaling up this work across the state and to do this, additional support is necessary. Ms. Robbie will assist with content development, training and coaching that will aid in this goal.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Karen Robbie has served as the co-lead for the FEDES grant funded PBIS cohort for the past three years. She has considerable knowledge and expertise about coordinating, training and coaching for PBIS.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The rates are comparable to others who contract for education related services and the funding was allocated to the grantee since she has the necessary expertise with a focus on Maine schools.

4. Describe the plan for future competition for the goods or services.

Any future need for improvement work across the state will be discussed and then processed in accordance with State procurement policies and procedures.
