PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The property maintenance repairs and services are work that can't be completed by the staff, so this vendor was hired.

This vendor was the only vendor who could complete this work in a timely manner.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The procurement threshold being reached, we will follow the procurement process for the following years since we know it will be at this level or higher.

Future unanticipated building maintenance repairs will be laid out in an RFP with "not to exceed" amounts.
