State of Maine Waiver of Competitive Bidding Request Form

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose of this Agreement is to provide evaluation, Professional Development and Technical Assistance services to Maine's School Based Health Centers (SBHCs).

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not currently possess the necessary staffing, resource or expertise to provide these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost for this agreement is consistent with other costs provided by this vendor for similar work.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Due to the uncertainty and late nature in funding being awarded by the Maine State Legislature through LD392, Me CDC was unable to proceed with planned issuance of a new RFP to replace these services awarded under RFP 201212444. The Department is in the process of developing the RFP for these services, with a start date for the selected Provider of 7/1/2020.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This vendor has been providing this service since the RFP 201212444 was issued, with the exception of 2017 when funding was not provided. Due to the high-profile nature of these services, as indicated by the recent legislation (LD 392), continuity of these services by this vendor will provide for timely coverage of these services.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
