**Please note that the following four points below (#2 through 5) all require a response.**

**2. Description of Specific Need**

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Hoyt's Logging is currently providing timber harvesting services through a Contract for Logging Service (CLS) contract which expires December 31, 2019. More wood was harvested than planned under this contract due to favorable market and weather conditions. Productivity is variable and setting the exact dollar amount is challenging, the request is made to allow timber harvesting to continue until the end of the current contract period.

**3. Availability of other Public Resources**

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

**The State of Maine does not provide timber harvesting services.**

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

**The costs remain the same. Hoyt Logging was awarded the initial contract due to his competitive bid.**

**5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

**The new contract awarded recently is to a different contractor.**

Hoyt Logging is the current contractor working in the region.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date).
