<input type="checkbox"/>	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs;

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose for this agreement is to provide a free, low-barrier space to provide the services needed to combat the region's growing rates of youth mental health conditions, teen suicide, and substance use. The Teen Center is a hub for youth development programming focused on healthy relationships, suicide and substance use prevention, post-secondary preparation, and career readiness through mentorship and service.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the resources to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Provider has submitted a detailed budget which has been determined to be fair and reasonable in negotiations with DHHS. The expenses and program wages are reasonable and the organization looks for ways to coordinate functions that will result in cost-savings to the agency and for this contract.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

This is a one-time service. The Department does not intend to RFP.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Through a robust Community Needs Assessment conducted by the Bangor Region YMCA, the community resoundingly stated a need for a free, low-barrier space to provide the services needed to combat our region's growing rates of youth mental health conditions, teen suicide, and substance use. The Bangor Y spearheaded a multi-organization response through the creation of the Bangor Region YMCA Teen Center (The Teen Center).

The Teen Center is a hub for youth development programming focused on healthy relationships, suicide and substance use prevention, post-secondary preparation, and career readiness through mentorship and service.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
