State of Maine Procurement Justification Form

PART III: SUPPLEMENTAL INFORMATION

In January of 2019 the Bureau of Rehabilitation Services (BRS) issued an RFP (# 201810200) for employment services for individuals served by the Division of Vocational Rehabilitation (DVR) and the Division for the Blind and Visually Impaired (DBVI). Bidders were instructed to submit separate bids for each BRS region (1-5). As a result of that RFP contracts were awarded in BRS regions 1, 2 and 3. No contracts were awarded for regions 4 and 5. Contracts to provide community employment services in regions 4 and 5 are currently awarded to any willing and qualified agency.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Living Innovations Support Services is one of several agencies (referred to as CRPs or Community Rehabilitation Providers) who provide community employment services in regions 4 and 5 to clients referred by Vocational Rehabilitation Counselors (VRCs). VRCs authorize job assessment, job development/placement, and/or job coaching services monthly as needed for clients they refer to the CRP. Clients choose a CRP from among those available in their geographic area. Agencies can apply to become a CRP in regions 4 and 5 at any time. When an agency applies to become a CRP, they are required to go through a review process to assure their services comply with the standards set forth in the Rehabilitation Act of 1973, as amended; and the Quality Indicators for Community Rehabilitation Providers. **Living Innovations Support Services** meets all applicable standards and staff qualifications; and has been fully approved as a CRP through **September 30, 2022**

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

All CRPs are reimbursed at standard hourly rates, based on the service being provided. Employment services are authorized monthly by Vocational Rehabilitation Counselors depending on individual client needs. Based on feedback from CRPs, BRS is increasing the \$35 rate to \$40 as of 10/1/2021.

4. Describe the plan for future competition for the goods or services.

BRS has been in discussions with various CRPs in region 4 and 5 to gauge their interest in a future contract to provide all employment services in region 4 and/or 5. This is the preferred model, as it is currently in use in regions 1-3, and guarantees the availability of services throughout the region.
