PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Department has a need to relocate six (6) patients from Riverview Psychiatric Center (RPC) to another location. RPC does not currently have the resources available to provide the level of medical, psychiatric and other specialized care required by these patients and assure that the services required for other patients housed within the institution are not compromised. Maintaining these patients at RPC may precipitate the loss of the facility's Joint Commission accreditation and the State's Specialty Hospital License to RPC as a hospital. A previous determination from CMS has indicated that the additional security and behavioral controls needed for these patients would diminish the acceptable standards of care in a psychiatric hospital. Superior Court Judge Murphy has ordered that the DHHS Commissioner, through RPC, identify and locate these patients to an appropriate safe setting for the specialized treatment needed by these patients.

This amendment is adding funds for the remaining term of the FY26 contract.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFQ) number if applicable.

This is a continuation of the current contractual agreement with the Provider. The original agreement was approved due to the urgency of the situation. The Department has been satisfied with the services provided by the Provider and wish to continue the current agreement. To ensure continuity of care for the patients currently residing at the Provider's facility, it is vital that this agreement continue.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

This facility's per diem rates are fair and reasonable. These patients are under Department custody and require specialized psychiatric and medical services. Due to the unique combination of these patients' needs, it is extremely difficult to locate suitable arrangements for these patients.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP this service.

PART IV: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)

Does this request utilize ARPA/MJRP funds?

☐ Yes, MJRP funds (023) – If Yes, please attach the approved Business Case(s).

☒ No – If No, proceed to Part V.

PART V: CONFLICTS OF INTEREST (COI); CONTRACT WITH THE STATE

Maine law contains Conflict of Interest statutes directed to State Departments, State Officers, and Employees Generally under MRS Title 5, §18 and §18-A, in harmony with MRS Title 17, §3104.

☒ The requesting department's signatory affirms, understands, and acknowledges Maine's Conflict of Interest statutes and, in accordance with those statutes and to the best of their knowledge, has determined that no conflict of interest exists at the time of this contract, renewal, or amendment.
