2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose of this Agreement is to provide evaluation support for two (2) United States Centers for Disease Control and Preventions (U.S. CDC) Cooperative Agreements: EH19-1902 and DP17-1701. The evaluation efforts support the Department's initiatives to demonstrate that evidence-based interventions result in better prevention, screening, and support for asthma and cancer. The vendor was listed in the budget narrative as the vendor for the evaluation process for both of the above listed cooperative agreements. Budget Narratives are provided under separate cover as well as the Notice of Award for those grants.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Sufficient staffing, resources or expertise do not exist in State of Maine government or any other governmental entity

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost assigned are fair and appropriate for the proposed scope of work. The Department considers the negotiated costs reasonable based on the level of effort proposed by the Provider. The rates have been approved by US CDC.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

As these services are part of a grant award, the Department does not intend to RFP these services at this time.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The Provider is listed as the vendor for the Asthma and Cancer program evaluation services, in the US CDC cooperative agreements as listed above. This work is related to the Asthma and Cancer programs and the provider has the contacts and infrastructure to provide these services to the Department in a timely manner.
