Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

James Bond 007 is a licensed product of MDI, a subsidiary of our instant ticket vendor and receives a license fee of \$48,000.00, and Trip prize fee of \$72,000.00. These fees are part of the normal operating cost within the lottery industry when printing and issuing licensed properties. The license fee allows the lottery to use the iconic James Bond 007 imagery to offer a unique and exciting game to our players.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

This is part of lottery industry standards when manufacturing and issuing instant games and licensed products trademarked by others. MDI holds the exclusive trademark rights for James Bond 007 in the lottery industry and the game is not available through any other sources.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The \$48,000.00 license fee is the industry standard. The Maine Lottery receives a discount on the property as a current customer of Scientific Games, the parent company of MDI.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

N/A

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

MDI is the exclusive license holder of the James Bond 007 brand in the lottery industry. James Bond 007 is an iconic brand that offers a unique opportunity for lotteries to reach an expanded audience and attract new players to lottery products.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
