**Please note that the following four points below (#2 through 5) all require a response.**

**2. Description of Specific Need**  
 Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Office of Business Development is required by statute to encourage business in the State of Maine by removing barriers to growth and facilitating exploration of opportunities. The office is responsible for the implementation of programs designed to promote Maine products in national and international markets and to develop markets for industry located in Maine.

Attending international trade shows provides exposure for Maine products and businesses. The funds are provided to Cape Seafood, LLC to attend trade shows in Boston and Brussels to promote Maine's lobster industry.

**3. Availability of other Public Resources**  
 Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

By helping to sponsor Cape Seafood's attendance at the trade shows, Cape Seafood will be exposed to new markets, which also helps Maine lobster harvesters. Cape Seafood would not have this opportunity, but for the attendance at these trade shows.

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The \$25,000.00 sponsorship will enable Cape Seafood, LLC to attend trade shows.

**5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

A full evaluation of these events will occur to determine the impact and results of the sponsorship.

The funding provided helps to cover a portion of Cape Seafood's trade show costs.

DECD's Office of Business Development assists Maine's marine economy, it does not attend seafood trade shows. DECD's sponsorship is necessary to ensure that attendance at these trade shows is possible.

**Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.**

**6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Cape Seafood, LLC is uniquely qualified to market Maine's lobsters domestically and internationally. Their participation in these trade shows enables access to new markets and promotion of Maine Lobster.

Maine DECD is providing funding for Cape Seafood's participation in seafood shows to offset expenses and encourage its full participation in domestic and international marketing opportunities.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
