3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Daigle & Houghton has the updated techs and tools to complete the job in a more timely manner than we can do in house.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

If we had more repair shop options available in the area, there could be more competition.
