Please note that the following four points below (#2 through 5) <u>all</u> require a response.		
2. Description of Specific Need

<p>RFP 201701015 was awarded to Vendor named on Page 1. As per the terms of the RFP, the Vendor is charged with: considering and promoting the best interests of the children involved; answering inquiries; and investigating, advising and working toward resolution of complaints of infringement of the rights of the child and family involved. The program should function through the staff of the program and volunteers recruited and trained to assist in the duties of the program. In light of recent incidents within the state, the Maine State Legislature requested the Vendor to add an additional staff person.</p>

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

As per statute (22 MRSA §4087-A), these services are necessarily provided by a non-state entity.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Through the original RFP process, the Vendor's successful bid supports that these additional funds will purchase the required services/supplies at a fair and reasonable rate.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The RFP is on its first renewal for the FY20 contract period and will be renewed annually in future years with the addition of the \$85,000 in annual support for personnel. At the end of all authorized renewal periods, the services will go out for bid.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The Ombudsman program was established in 2001 and is governed by Maine Statute (Title 22 § 4087-A). As stated in the law, the Ombudsman program provides for an independent entity to represent the needs of the public in regards to child welfare services provided by the Department of Health and Human Services (HHS). In the first session of the 129th Legislature, Public Law 2019, chapter 520 appropriated additional funds for the service.

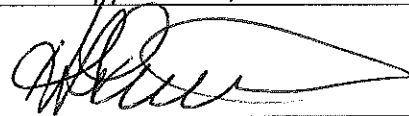

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
