PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Department has been engaged in a massive construction/renovation project at Maine Correctional Center in Windham since the spring of 2018. Upon hiring a construction firm in April of 2018, the Department solicited a Request for Qualification to hire an Owner's Representative as well. Jim Gilman was selected as a result of that process and has proven to be an invaluable asset to the Department in all phases of the project.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

As noted above, Mr. Gilman was selected as a result of a RFQ issued by the Department at the outset of the project. (The RFQ was Published November 10/11, 2017 and November 17/18, 2017 – same dates in both KJ & PPH.)

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Department will compensate Provider for an additional three months of service (13 weeks) at the same rates as specified under the original contract, which the Department considers to be fair and reasonable. MGFA Bond funds will continue to be used to pay for these services.

Compensation is calculated as follows:

Jim Gilman (Owner): \$70/hour x 50 hrs/week

Assistant to Jim Gilman (Office Manager): \$50/hour x 10 hrs/week

4. Describe the plan for future competition for the goods or services.

This is a limited period project and will cease upon completion of the construction contract.
