PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

PBIS (Positive Behavior Interventions & Supports) is expanding across the state of Maine. To build capacity and sustainability for Maine regions, last fall the Maine PBIS team through the University of Maine developed a train the trainer/coach micro-credential. The educators and administrators who applied for this opportunity went through a selection process and completed their training this spring. They are now prepared to coach and train in Maine.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Maine PBIS in collaboration with the University of Maine developed a university sanctioned PBIS training & coaching micro-credential with associated graduate level coursework. This vendor successfully completed the micro-credential and coursework requirements and was also recommended by the faculty coordinating the trainer/coach courses.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

For each school that the coach works with, they will spend approximately a minimum of 40 hours a year. The coaches will also travel to the schools. This is a rate of \$125 and hour which is appropriate for consulting and coaching work of this type and would also include their travel expenses and any materials/supplies needed.

4. Describe the plan for future competition for the goods or services.

The PBIS coach contracts will be for one year – we need to have some flexibility for next year.
