PART III: SUPPLEMENTAL INFORMATION	
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.	<p>The purpose of this Agreement is to deliver a statewide service of intervention and prevention programming in response to sexual violence and sex trafficking and sexual exploitation, to address the emergent needs of victims and survivors. The Provider shall ensure: 1) Management and oversight of the Sexual Assault Support Centers (SASCs) and the Children’s Advocacy Centers (CACs) for the terms set forth in this Agreement as well as 2) The provision of quality intervention and prevention services by the statewide network of SASCs and CACs.</p>
2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFQ) number and the date of award notification, if applicable.	<p>22 M.R.S.A § 1663. Rules, recognizes the Maine Coalition Against Sexual Assault (MECASA) as the state subject matter expert regarding sexual violence.</p> <p>The Department relies on MECASA to provide services and training that keep field staff up to date and proficient in issues and trends in the field, changes to the criminal code, and other statutory requirements. MECASA also provides training, monitoring and written review of specific quality assurance standards for all sexual assault centers in Maine.</p> <p>The expansion of the Child Advocacy Centers statewide was a significant initiative for the Department. MECASA has been the lead partner in the CAC initiative in Maine. It provides all training and technical assistance to each CAC and manages the standards of accreditation for CACs. MECASA also serves as a pass-through for federal funds to the Child Advocacy Centers and all SASCs statewide.</p> <p>Working with MECASA is also the most coordinated, efficient, and effective way to manage standards and quality across the State for services for victims and survivors of sexual assault, child sexual abuse, stalking and human sex trafficking.</p>
3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.	<p>MECASA is the only provider with the infrastructure to provide leadership, oversight and monitoring of all the sexual assault resource centers and CACs statewide.</p>
4. Describe the plan for future competition for the goods or services.	<p>This issue is discussed with/by leadership annually and is partly impacted by the availability of federal funds, which in recent years has been unstable. Currently, the Department does not intend to competitively procure this service.</p>
