Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

This company has done all door replacements for the institution in the past and the department does not have the ability to manufacture high security doors.

4. Cost

Exactitude with its two divisions in Maine have been the original vendor for most of the security doors in the department and are most efficient and timely at manufacture and installation of high security door systems.

Due to the need for high security doors with good visibility into cells these replacements are needed for the safety of both residents and staff at the institution. Exactitude is prepared to start work immediately.
