State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Funding is being added to support an increased rate of reimbursement for direct client services pursuant to implementation of the legislatively mandated rate increase in P.L. 2018, ch. 460, Sec. B-2 and Sec. B-6 (LD 925).

The Department is responsible to implement statewide administration and provision of services related to Maine's State-funded Independent Support Services (ISS) Program. The ISS Program is governed by 10-149 C.M.R. ch. 5, § 69. ISS may be self-directed by the eligible consumer or be directed by a qualified representative of the consumer in accordance with 10-149 C.M.R. ch. 5, § 69. These services are therefore necessary.

The Provider shall be responsible for the ISS administrative services and service delivery functions to eligible consumers that help improve and maintain well-being in accordance with 10-149 C.M.R. ch. 5, § 69. Services may be provided directly by the Provider or through subcontracts with other agencies, as approved by the Department. The Provider is also responsible for administering program co-payment requirements and for the eligibility assessment process for the ISS program.

This amendment extends the agreement and adds funding to support continuation of services through 03/31/2020 during the RFP process.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department has determined that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost of this amendment is based on implementation of the legislatively mandated rate increase in P.L. 2018, ch. 460, Sec. B-2 and Sec. B-6, and is therefore considered to be fair and reasonable.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department has published an RFP 201909167, for these services and anticipates a new agreement start date of 04/01/2020.

The current vendor was selected as the result of a competitive RFP process (RFP 201410849).

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services.
