Please note that the following four points below (#2 through 5) <u>all</u> require a response.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The State of Maine does not provide road building services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The costs remain the same. French Logging was awarded the initial contract due to his competitive bid.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

When this current contract expires we will follow the competitive bid process to ensure other contractors the opportunity to submit a competitive bid.

French has equipment on site and can complete the work prior to his timber harvesting work begins.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date).
