PART III: SUPPLEMENTAL INFORMATION

Please respond to ALL of the following:

- 1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.**

This agreement is to contract for licensed psychiatric and medical service professionals. These medical professionals are needed to provide psychiatric and medical treatment to persons with serious and persistent mental illness as mandated by the AMHI Consent Decree, State of Maine DLRS, The Joint Commission and CMS. These services are essential for maintaining required minimum staffing levels. CMS requires that a minimum staffing level of physicians is maintained at all times in order to provide adequate treatment for its patients. This agreement has been established to adequately provide and fund these staffing levels and for accommodating unanticipated contingencies such as staff absences and terminations. A lapse in these services would mean failure to provide required staffing levels and would place Riverview in immediate violation of the AMHI Consent Decree and other Federal and State regulatory agencies (CMS, TJC, DLRC). The staff assigned to RPC by this vendor are well acquainted with the facility and its patients, which is essential in maintaining

PART III: SUPPLEMENTAL INFORMATION

continuity of care.

The purpose of this amendment is to increase salary for medical staff to be more in line with the market trends and demands of the position.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Liberty Healthcare has remained consistent in supporting the Department to meet the Consent Decree and certification challenges. For the past several years, DDPC and RPC have had a standing relationship with Liberty Healthcare to recruit and retain medical staff. When the court mandated that RPC address the issue of transient psychiatrists and the negative effect this was having on continuity of care for patients, Liberty Healthcare has responded to the needs of DDPC and RPC with high quality Nationally Board Certified full-time and long term part-time staff.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The budgeted amount of this agreement has been determined by re-evaluating the anticipated staffing utilization and associated funding needs of these services up to June 30, 2022.

4. Describe the plan for future competition for the goods or services.

At this time, the Department is drafting a Requests for Proposals (RFP) document for these services. This agreement will ensure these vital services continue uninterrupted while the Department continues to formulate a comprehensive Dorothea Dix and Riverview Psychiatric Centers medical services RFP that is inclusive of this service and other medical service contracts.

The Department intends to issue an RFP for Recruitment and Payroll Services during State Fiscal Year 2022. However, all existing resources will be allowed to remain on their existing agreements while all new resources will be obtained through the Department's master agreement for Recruitment and Payroll Services.
