**PART III: SUPPLEMENTAL INFORMATION**

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

These goods are required to operate State of Maine legacy wi-fi wireless systems. Without the appropriate operating licenses State of Maine will be out of compliance with licensing terms and agreements. Software must be supported to maintain network security.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The selected vendor is the incumbent for the goods and services related to Aruba and Juniper wireless LAN controllers and 35 wireless access points . During calendar year 2022 State of Maine network services are retiring the platform.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The costs of these services are commensurate with the existing contract which include previously accepted advantageous pricing schedule.

4. Describe the plan for future competition for the goods or services.

State of Maine is divesting this platform with a completion date of not later than 31 December 2022.
