Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Provider shall conduct program technical assistance prior to sites being operational and support the refinement of a core framework in order to develop a program that benefits from the key learnings derived from the demonstration model. The Provider will aid in resources directly related to mapping out the process of identifying existing resources, agencies, partners, services, activities, and initiatives that align with First4ME core objectives to support each pilot site in their individual process. In addition, the Provider will conduct technical assistance to develop initial programming model as directed by Sec. 1 MRSA c. 1064 'An Act to Support Children's Healthy Development and School Success'. The Provider will orchestrate observation opportunities of Elevate Maine including site visit of existing settings from the demonstration model, provide reports or recommendations from initial program review, connection with key stakeholders from demonstration model for startup programming support. The Provider will assist the Department in planning the First4ME installation and determining the sequence of implementation and key elements that should be prioritized. Lastly, the Provider will participate in ongoing technical assistance and consultation once sites are operational for the first six (6) months including planning and coordination of tools, projects, and activities to ensure success start up with knowledge and learning from the demonstration model key components for success.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

KVCAP/Educare was the founder of demonstration model of Elevate Maine, a unique rural childcare partnership to which First4ME was mirrored after. Several key components from LD1712 mirror the work done by KVCAP/Educare in this demonstration model. They have specific knowledge and consultation expertise to support the Department's efforts to create a framework that is both progressive and needs-responsive.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Funding was allocated for a twelve (12) month technical assistance contract and consultation effort from current resources of a unique subset of knowledge and experiences related to the demonstration model, intellectual property, its entities and staff resources for weekly and on demand requests.

4. Describe the plan for future competition for the goods or services.

This is a one-time service. The Department does not intend to competitively procure this service in the future.
