PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The main circuit breaker for the plate shop at Warren is at risk of expiring. It is old and can not be repaired so it must be replaced.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

This vendor is the electrician for this building. He is familiar with the wiring in the building and the history of its electrical needs.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Even though this is a sole sourced request, the quote is aligned with the going rate in the market for a re-furbished circuit breaker.

4. Describe the plan for future competition for the goods or services.

If the entire electrical system is replaced in the future we would put it out to bid.
