	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<p><i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i></p> <p>Signature:</p>

	D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;	
	<p>E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving:</p> <p>(1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service;</p> <p>(2) A sharing of project responsibilities and, when appropriate, costs;</p>	
	<p><i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here:</i></p> <p>http://www.maine.gov/purchases/info/forms/govcoop.doc.</p>	
	F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;	
	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.	
	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:	
Please note that the following four points below (#2 through 5) <u>all</u> require a response.		
2. Description of Specific Need		
Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.		
<p>The Maine Charter School Commission was created by Public Law 2011, Chapter 414, to authorize and oversee public charter schools in Maine. Maine currently has nine public charter schools (with a tenth anticipated to open in September 2020). As part of its oversight responsibilities, the Commission gathers information from students, families, teachers, and administration. One way to gather that information is to conduct anonymous surveys and it's felt that having the surveys conducted by an outside, independent evaluator makes the data more credible when evaluating Maine's public charter schools.</p> <p>These surveys have been conducted for the last three years and the intention is to continue to do them on an annual basis.</p>

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Panorama Education helps districts collect and analyze data about social-emotional learning, school climate, and family and community engagement. It is a unique product that cannot be duplicated by Department resources.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Maine Charter School Commission worked with representatives at Panorama Education to discuss the needs of the Commission in regard to conducting surveys and analyzing data. The Commission's Finance subcommittee budgeted for this expense and Panorama Education is able to conduct the surveys, provide reports and assist in analyzing data within the Commission's budget.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

None known.

**State of Maine
Waiver of Competitive Bidding Request Form**

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Because these surveys have been conducted for the past three years, the Maine Charter School Commission would like to use the same vendor going forward as a baseline has now been established and data can be compared from year to year which is essential for the oversight authority and reporting requirements that the Commission is charged with.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department’s Commissioner or Chief Executive (or designee within the Commissioner’s Office):
