	<b>State from only one source;</b>	
	<b>D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;</b>	
	<b>E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving:</b> <b>(1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service;</b> <b>(2) A sharing of project responsibilities and, when appropriate, costs;</b>	
	<i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here:  <a href="http://www.maine.gov/purchases/info/forms/govcoop.doc">http://www.maine.gov/purchases/info/forms/govcoop.doc</a>.</i>	
	<b>F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;</b>	
	<b>G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.</b>	
	<b>If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:</b>	
<b>Please note that the following four points below (#2 through 5) <u>all</u> require a response.</b>		
<b>2. Description of Specific Need</b>		
Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.		
Residences and businesses in Princeton suffered from petroleum contamination or were at risk in their private drinking water wells. The Princeton Water District was created to resolve water quality contamination by the construction of a public drinking water system. The Department is willing to contribute for certain residences and businesses that suffered from petroleum contamination or were at risk in their private drinking water wells. Please see attachment.

**3. Availability of other Public Resources**

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The contamination and suffrage took place in the town of Princeton, therefore the Princeton Water District is the identified vendor responsible.

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

\$250,000.00 is the full and final completion of the Department's obligation to the Princeton Water District related to petroleum contamination reported to the Department. This amount will ensure the continuance of a clean and sufficient water supply to eligible users. Amount was determined based on a ratio of the estimated construction cost to actual construction cost with consideration to the amount of funding already provided by the Department to the Princeton Water District. This payment will be provided in two installments to consist of an initial payment of \$125,000 and a final payment of \$125,000 upon completion of the tasks specified in the attachment.

**5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

N/A – no further contamination expected. Princeton Water District is within the town the contamination took place.

**State of Maine  
Waiver of Competitive Bidding Request Form**

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

**6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Certain residences and businesses in Princeton suffered from petroleum contamination associated with spill #R-1-2006 and were at risk from petroleum contamination in their private drinking water wells. The Princeton Water District was created to resolve water quality contamination by the construction of a public drinking water system. The suffrage took place in the town of Princeton, therefore, the Princeton Water District is responsible for ensuring the continuance of a clean and sufficient water supply to eligible users.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
