<p><i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here: <a href="http://www.maine.gov/purchases/info/forms/govcoop.doc">http://www.maine.gov/purchases/info/forms/govcoop.doc</a>.</i></p>

**Please note that the following four points below (#2 through 5) all require a response.**

**2. Description of Specific Need**

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Provider will work to expand municipal leaders' understanding of the root causes of opioid addiction, including early use of substances and Adverse Childhood Experiences, and the role of stigma in perpetuating the problem as well as engage them as champions for comprehensive, evidence-based solutions in their communities, increase the adoption and implementation of evidence-based prevention, harm reduction, enforcement, treatment, and recovery policies and practices in Cumberland County municipalities, and expand the use of this model to increase the adoption and implementation of evidenced-based strategies to addressing the opioid misuse problem by municipalities across the state.

The purpose of this amendment is to extend the end date of the agreement to continue the pilot. The original 3 months was too short to support objective evaluation.

**3. Availability of other Public Resources**

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the resources to provide these services.

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The Provider submitted an itemized budget which was compared to other similar services and has been deemed as fair and reasonable in negotiations between the Department. The expenses and program wages are reasonable and the organization looks for ways to coordinate functions that will result in cost-savings to the agency and for this contract.

**5. Future Competition**

## State of Maine Waiver of Competitive Bidding Request Form

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department will evaluate the pilot project at the end of this contract and if it determined that the services will continue, they will be competitively procured with a 1/1/2021 contract start date.

**Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.**

**6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This organization comprises of multiple municipalities in Southern Maine making the scope of work far reaching, involving many communities to help increase awareness and reduce the role of the stigma associated with opioid addiction.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
