Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need
 Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

This legal summary of newly enacted legislation is relied heavily upon by law enforcement and Department personnel. For this reason, the Department needs a reputable publisher with a history of on time delivery, which has been proven by West Publishing.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

West Publishing has been responsible for the printing of Title 12 for the past several years. Not aware of any other government agencies that would do this work of assembling newly enacted and past legislative session laws and putting them into the requested format. The Department did an RFP process for this printing in 2017 and West Publishing was the sole bidder.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

West Publishing will complete the requested job with the inclusion of a digital format which is additional at the same rate as their 2018 contract.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Not aware of any. Past RFP processes have not brought to light any new vendors.

**State of Maine
Waiver of Competitive Bidding Request Form**

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The publication MRS Title 12, Part 13 titled “State of Maine, Inland Fisheries and Wildlife Laws” will contain newly enacted laws as enacted by the 2nd Regular and Special Sessions of the 128th Legislature and the 1st Regular Session of the 129th Legislature. The bulk of these new laws became effective on September 19, 2019 and it is imperative that the document be printed and disseminated to the regional law enforcement officers as soon as possible. It is crucial that the Department deal with a reputable publisher and West Publishing has a history of providing on-time delivery with accuracy of statutory contents.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
