## State of Maine Procurement Justification Form

### PART III: SUPPLEMENTAL INFORMATION

The Maine Statewide Independent Living Council (SILC) is a federally mandated advisory council under part B of Title VII, section 704/705 of the federal 1973 Rehabilitation Act as amended, which is necessary for the State to support in order to receive federal funds for independent living services.

**2. Provide a brief justification for the selected vendor to supplement the response in Part II.**

The federal funds made available from Administration for Community Living (ACL) through Title VII require that a SILC be operated outside the administration of any State agency. The Maine Statewide Independent Living Council is the one SILC in Maine. Title VII also requires that the State provide adequate funds from Title VII for SILC's administration under the "Resource Plan" (SILC's budget) identified in the State Plan for Independent Living (SPIL).

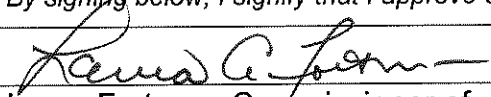

**3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.**

To determine the cost of the SILC budget (Resource Plan), the Department reviewed each budget line and the related activities. The Department relied on SILC history and goals to determine a reasonable budget. To ensure effective use of the funds to accomplish SPIL goals under this year's contract, it was determined that the staff shown in the budget would be adequate for meeting those goals.

**4. Describe the plan for future competition for the goods or services.**

In Maine, as in all states, there is only one Statewide Independent Living Council, so there are no opportunities for competition in the future.
