Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Maine Criminal Justice Academy (MCJA) provides training for law enforcement officers throughout the State of Maine. The MCJA does not have staff to fill the necessary cadre roles to successfully provide the training. The cadre for these training courses is certified law enforcement officers provided from various law enforcement agencies. The cadre are at the academy for the duration of the training and the law enforcement agency is reimbursed for the cadre's salary through a contract.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The Androscoggin County Sheriff's Office will provide a fully certified law enforcement officer, to fill a staff position as "Cadre" with the 41st Basic Law Enforcement Training Program. This position requires an experienced law enforcement officer for a period of 20 weeks (January 10, 2022 – May 20, 2022). Due to the demands on their agencies and the shortage of certified law enforcement officers, it is difficult to find an agency willing to partner with the MCJA to provide cadre. The officer will work not less than 40 hrs. in each of those weeks. In his role as cadre, the officer will be accessible to students in residence 24 hours a day while on duty and will be responsible for the movement and activities of the class.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Androscoggin County Sheriff's Office will be reimbursed for the costs associated with the certified officer provided as cadre. The rate paid is what the officer is currently making so it is considered fair and reasonable.

4. Describe the plan for future competition for the goods or services.

The MCJA works with law enforcement agencies throughout the state to ensure we have the necessary cadre officers for each training program. Different agencies provide cadre based on their ability to do so. The MCJA needs certified highly trained law enforcement officers to fill the role of cadre and due to the specific skill set and requirements, this is not a service that would benefit from a competitive bidding process.
