PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The purpose of this agreement is to utilize Maine Prevention Services (MPS), Maine's prevention arm where the State funds local community partners to work on the following: obesity, tobacco and substance use prevention; youth engagement and empowerment, health communication/social marketing and evaluation. The MPS contracts ensure essential prevention services are available statewide.

The purpose of this amendment is to extend this contract by another three months to ensure the continuation of local level substance use prevention services while the Department proceeds with the competitive process.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The vendor was chosen through a competitive award process under RFP 201602047 and is in the last year of the award process. The Department recently issued and awarded contracts under RFP 202207119 for a 1/1/2023 contract start date.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Cost is based upon the competitive award for this service and agreement. The costs are based upon what was originally proposed but with the expanded grant period.

4. Describe the plan for future competition for the goods or services.

The Department is currently negotiating contracts under RFP 202207119 for a 1/1/2023 contract start date.
