Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Maine Department of Inland Fisheries and Wildlife is responsible for responding to human-wildlife conflicts and is mandated to submit rabies vector species (RVS) for testing at the Maine Health and Environmental Testing Laboratory (HETL) when RVS have potentially exposed people or animals to the rabies virus. Recent changes at HETL have required that all RVS are euthanized and decapitated prior to arriving at the lab for rabies testing. This work must be conducted on short notice in response to emerging public health risks and requires specialized training, expertise and equipment that is not readily available within the Department. Therefore, MDIFW requires contract services to prepare and submit RVS specimens following human and animal rabies virus exposures.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFQ) number if applicable.

MDIFW does not have state-wide staff capacity or specialized equipment to complete this task. USDA APHIS Wildlife Services (Wildlife Services) is uniquely qualified to provide program support, equipment and staffing. They have specialized expertise in capturing and handling RVS throughout the state. Wildlife Services has rabies-vaccinated personnel that are trained in euthanasia and decapitation, and they have a safe laboratory space to conduct this work. Considering the entire diverse need, Wildlife Services is the most feasible and appropriate entity to work with.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

As stated above, Wildlife Services has unique expertise working with Maine’s wildlife, especially RVS that require laboratory submission. They have provided us with a reasonable budget for personnel compensation, vehicle costs, supplies and equipment to conduct RVS euthanasia and laboratory submission to HETL.

4. Describe the plan for future competition for the goods or services.

If we become aware of another vendor with the expertise and equipment to complete the required work, we will establish a competitive process to select the most qualified vendor and competitive pricing.

PART IV: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)

PART V: CONFLICTS OF INTEREST (COI); CONTRACT WITH THE STATE

Maine law contains Conflict of Interest statutes directed to State Departments, State Officers, and Employees Generally under MRS [Title 5, §18](#) and [§18-A](#), in harmony with MRS [Title 17, §3104](#).

The requesting department’s signatory affirms, understands, and acknowledges Maine’s Conflict of Interest statutes and, in accordance with those statutes and to the best of their knowledge, has determined that no conflict of interest exists at the time of this contract, renewal, or amendment.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Inland Fisheries and Wildlife (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
