☐	F. Higher Education Cooperative Project	☐	L. Other Authorization

Please respond to ALL of the questions in the following sections.

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Maine Department of Inland Fisheries and Wildlife(MDIFW) is mandated by statute to “preserve, protect and enhance the inland fisheries and wildlife resources of the State; to encourage the wise use of those resources; to ensure coordinated planning for the future use and preservation of these resources; and to provide for effective management of these resources.” To achieve this mandate, the Department acquires land for the management and protection of wildlife habitat and to support and improve opportunities for public access. Habitat protection and management strategies were identified as priority action items for the majority of Maine’s Species of Conservation need as identified in the State’s 2025-2035 Wildlife Action Plan.

The Department does not have the staff available to address increasing numbers of land acquisition and stewardship projects.

This contracted position would allow MDIFW’s Land Acquisition Program to continue to increase the pace at which these projects are completed and to improve the necessary stewardship and Management tasks associated with ownership of land, management of habitat and improved access for the public.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFAQ) number if applicable.

The vendor has been authorized by the United States Fish and Wildlife service for contract administration to be used as State funding match for the Department’s Pittman-Robertson Grants. In effect, this provides up to 25% state funding obligation to match 75% federal funds dedicated towards this effort, eliminating the need for state funds this contract. We know of no other vendors that provide State matching funds for contract staffing support.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The salary is based on equivalent positions in MDIFW. The total salary is considerably lower than an equivalent position in the federal government or in the private sector (e.g., Wildlife Management Institute [WMI]).

The fee that the Provider charges was negotiated with the Northeast Association of Fish & Wildlife Agencies, of which the Department is a member. The Provider is willing to waive a portion of its negotiated fee, which in turn is used by MDIFW to meet federal match requirements.

4. Describe the plan for future competition for the goods or services.

If the US Fish and Wildlife Service authorizes other vendors to provide the requested service in the future, the Department will use a competitive process to identify an appropriate vendor.

PART IV: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)

Does this request utilize ARPA/MJRP funds?

☐ Yes, MJRP funds (023) – If Yes, please attach the approved Business Case(s).☐ Yes, ARPA funds (025) or (026) – If Yes, please be aware of the requirements from awarding federal agencies.☒ No – If No, proceed to Part V.**PART V: CONFLICTS OF INTEREST (COI); CONTRACT WITH THE STATE***Maine law contains Conflict of Interest statutes directed to State Departments, State Officers, and Employees Generally under MRS [Title 5, §18](#) and [§18-A](#), in harmony with MRS [Title 17, §3104](#).*☒ The requesting department's signatory affirms, understands, and acknowledges Maine's Conflict of Interest statutes and, in accordance with those statutes and to the best of their knowledge, has determined that no conflict of interest exists at the time of this contract, renewal, or amendment.**PART VI: APPROVALS**

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Inland Fisheries and Wildlife (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
