PART III: SUPPLEMENTAL INFORMATION

Provide a more detailed description and explain the need for the goods, services or grant to supplement the
response in Part I.

The purpose of this amendment is to add funds to pay the September 2023 invoice.

OBH is responsible for services and unmet needs for persons with serious and persistent mental health disorders. These individuals are often low income, and at times because of their poverty or in part because of their disorder have individual emergent/ unmet needs that cannot be met by other resources. WRAP funds assist in meeting basic emergent/unmet needs and the organization that manages those funds. The Providers are required to assemble Wrap committee that includes a peer with lived experience to meet on a weekly basis to review applications, to ensure that Wrap applicants must be Section 17 eligible in order to qualify for Wrap funding, to ensure the Wrap applications are complete and accurate, and provide a 5 day turnaround from application submission to approval /denial of Wrap funding with written notice to the applicant.

Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

DHHS, Office of Behavioral Health services has determined that this provider is willing and qualified to provide these WRAP services. Willing and qualified Providers are licensed with the Division of Licensing and Regulatory Services and have a contract with the Department to provide these services.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The allocation for each agency is based on regional need, the historical allotment and resulting utilization for the area plus an administrative fee which is calculated as 30% of the total program expense for all Providers of the service.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to competitively procure this service. Any willing and qualified provider can submit a proposal for consideration by OBH to provide this service.
