### PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Section 61 (OADS policy CMR 10-149) Program provides adult day services for older adults and adults with disabilities. Because supervision is not a covered service for many of the home and community-based services, adult day is a necessary service to allow individuals who need care in a supervised setting to remain in the community.

These services are a core function of the long-term care (LTC) delivery system. These services assist eligible individuals to remain as independent as possible in their homes and communities, delaying or preventing more expensive institutional care by increasing the availability of long-term services and supports in the community and serving individuals who are at the greatest risk of institutionalization.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Section 61 Program is a state-funded program administered through the DHHS Office of Aging and Disability Services. The DHHS Office of Aging and Disability Services has determined that these providers have the requisite training and licensure to deliver these services.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Section 61 Adult Day Services reimbursement rate is established by the MaineCare Benefits Manual Section 26, Day Health Services. Section 26 sets the rate for Day Care Services per quarter service hour (10-144 Ch. 101, Ch. III. Allowances for Services – Section 26).

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP these willing and qualified services.
