## PART III: SUPPLEMENTAL INFORMATION

 Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

There continues to be an increased need for treatment options within the State. In accordance with the Governor's Executive Order; "An Order To Implement Immediate Responses To Maine's Opioid Epidemic" dated February 6th, 2019 Community Centers provide a safe and welcoming space where individuals going through recovery can gain skills and support essential to promoting success.

The purpose of this Agreement is to establish new and maintain existing Community Centers to coordinate and run Peer Support programs to help persons seeking and maintaining Recovery from drug and alcohol addiction. The Center will accomplish the following activities:

- Individual mentoring and coaching
- Provide assistance with access to employment services and other basic needs necessary to Recovery
- Hold or provide access to Facilitated Groups for participants and affected others.
- 2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

DHHS, Office of Behavioral Health had determined that these providers are willing & qualified to provide this service as they are the only providers capable of doing so within these regions of the state. These geographic parts of Maine are significantly lacking resources and quality entities to combat the opioid crisis they face. This will allow a space for individuals fighting for their recovery to gather local resources and help. It will provide the only safe space these individuals can go to obtain the skills and support needed to guide and progress them through their recovery.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The cost was determined based on necessity of funding for this service, staff and resources in order to provide Community Center Services. Costs includes rent, consultation, utilities, various supplies, salaries and other needed expenses to help support and promote a safe space for recovery.

4. Describe the plan for future competition for the goods or services.

The Department does intend to RFP this service # 202501002 for an initial contract start date of 1/1/2026.
