PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Department provides supportive, preventive, protective, and public health and intervention services to preserve public health and assist Maine residents in meeting their needs. The Department strives to provide these programs and services while respecting the rights and preferences of individuals and families. The Department provides services that promote the highest level of independence, health, and safety of older citizens, vulnerable adults, and adults with disabilities.

This contract provides for Statewide Service Coordination as well as other administrative services related to State-funded in-home long-term services and supports provided to older adults and adults with disabilities. The services provided under this contract support the state-funded Home-Based Supports and Services (HBSS) [10-149 CMR Ch. 5 Section 63](#).

The Department provides services in support of approximately 1,200 participants per month. Services under the HBSS including but not limited to: Service Coordination; Personal Care; Nursing; Therapies; Respite; Adult Day Services; Environmental Modifications; Emergency Response System; and limited transportation to activities covered in the Authorized Plan of Care. Personal Care and In-home Respite Services may be Participant-directed and include Skills Training and Fiscal Intermediary (FI) services required under State statute. All these in-home services are intended to assist eligible individuals to remain as independent as possible in their homes and communities, delaying or preventing more expensive institutional care.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

DHHS, OADS determined that these providers are willing and qualified providers who are licensed with the Division of Licensing and Regulatory Services and have a contract with OADS. OADS allocates State General Funds and Federal Block Grant dollars on a Fee for Service basis at the MaineCare rate for clinically eligible consumers who do not have MaineCare.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Rates are standardized consistent with the MaineCare rate and established by rate setting.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to issue an RFP for these willing and qualified services.
