Due to technical issues with recording the Informational Session and related communication challenges, RFA#202502021 is canceled.

A new Request for Application RFA#202503038 is being issued on 03/19/2025, along with a rescheduled, recorded session. All questions and answers will be posted in full on the Office of State Procurement Services website (<https://www.maine.gov/dafs/bbm/procurementservices/vendors/grants>) at least 7 days before the application deadline.

The Department decided this was necessary to ensure equity to all potential applicants who were unable to attend the Informational Session and to allow more time for the completion of applications as many applicants expressed concern around the tight timelines.

Respectfully,

Shawn Esler, State Fire Marshal
