NOTICE TO CONTRACTORS
INVITATION FOR BIDS

The Department of Defense, Veterans and Emergency Management is conducting a competitive bid process for the Sanford Armory Parking Improvements Project at the Sanford Armory in Sanford, Maine. Bids will be opened and read aloud by the Directorate of Facilities Engineering at 2:00 pm 6 June 2024.

Project consists of the removal of existing asphalt concrete pavement and underlying gravel and soils materials to allow for the emplacement of new asphalt concrete pavement, both heavy duty and standard duty, for the Organizational and Non-Organizational parking lots at the Sanford Armory. Total area for this project is approximately 6,851 square yards. Project includes demolition of existing concrete pads and the installation of an 8-inch thick, 50 ft x 100 ft reinforced concrete pad. Project scope also includes landscaping, stormwater measures, parking lot marking, electrical, and gate replacement. A mandatory pre-bid conference will be held on 23 May 2024 at 10 am at the Sanford Armory located at 88 William Oscar Emery Drive, Sanford, Maine.
