PRE-BID QUESTIONS & ANSWERS

- 1. Q: Who is responsible for concrete testing and payment as there is not an allowance for it.
 - A: The GC will be responsible for coordinating the testing with their scheduled concrete pour(s) while the Owner will be responsible for actual payment, either through a written Change Order to the project or by direct payment to the Testing company.
- 2. Q: The existing drawings call for a concealed fastener siding system to match the existing cafeteria, but the cafeteria has an exposed fastener system. Please clarify intent.
 - A: The intent is for a concealed fastener system. Please follow the Bid Documents.
- 3. Q: A2/A103 you show slab meeting TOW with a joint, if you want the want the water to run off the slab wouldn't it be better to show a TOW wall height lower than the TOS with rebar connecting wall to slab.
 - A: For bidding purposes, please follow the Bid Documents as shown.
