NOTICE TO ARCHITECTS AND ENGINEERS
REQUEST FOR QUALIFICATIONS

The State of Maine, Bureau of General Services wishes to procure architectural/engineering services for the Tunnel Assessment Project at the East Campus in Augusta, Maine. Qualifications packages are due at 1:00 p.m. on March 18th, 2022.

The scope of work includes performing structural, civil and environmental engineering assessments in order to come up with a long-term plan for the underground tunnels. Determining soil integrity, loading capacity, drainage and other factors may be necessary in order to complete the assessment. Some utility infrastructure is currently present. Full design and construction management service may be requested at the sole discretion of the owner.

Responding firms must comply with the detailed *RFQ Information for Architects and Engineers* on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities>
