

**Bureau of General Services
Division of Planning, Design & Construction**

NOTICE TO CONTRACTORS
INVITATION FOR BIDS

The State of Maine, Bureau of General Services, is conducting a competitive bid process for the Sprinkler Leak Correction at the State House in Augusta, Maine. Bids will be opened and read aloud by the Bureau of General Services at 2:00 p.m. August 16th, 2023.

A leaking under-slab sprinkler system feed main in the Augusta State House has been capped, however rerouting of the sprinkler system feed and re-piping of the current out-of-service sprinkler withing the Tunnel connector between the State House and Burton M Cross Office Building is required. The work includes providing a new feed main within the Cross Building to feed the tunnel sprinkler and cutting and structural and architectural modifications to accommodate the pipe rerouting and up-sizing; and submitting required documents to the State Fire Marshall's Office for permit.

The detailed *Notice to Contractors* is on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities> .
