NOTICE TO ARCHITECTS AND ENGINEERS
REQUEST FOR QUALIFICATIONS

The Department of Veterans and Emergency Management wishes to procure architectural/engineering services for the **Bldg. 260 Mega Door Retrofit Project** (BGS 3906) at Army Aviation Support Facility (AASF) in Bangor, Maine. Qualifications packages are due at 1:00 p.m. on **1/22/2026**, as stated in the RFQ.

Project consists of the investigative and design services required to retrofit (expand) the existing Mega Doors (Aircraft Hangar Doors) at the AASF in Bangor, Maine. This project will involve all three aircraft hangars which are on an active military and commercial flight line within the Bangor East Training Site. Primary engineering discipline is Structural, but project also contains items related to the Civil, Electrical, Architectural as well as Fire Suppression disciplines. Objective is to retrofit a total of six (6) Mega Doors at the AASF. Existing aircraft hangars were constructed in 2003 and 2006 respectively.

Responding firms must comply with the detailed *RFQ Information for Architects and Engineers* on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities>.
