

NOTICE TO ARCHITECTS AND ENGINEERS
REQUEST FOR QUALIFICATIONS

The Maine Department of Defense, Veterans and Emergency Management (DVEM) wishes to procure architectural/engineering design services to include New Construction for the Transient Training Barracks at Bangor, Maine. Qualifications packages are due at 1:00 p.m. on February 19, 2026, as stated in the RFQ.

Project consists of the investigative and design services required to construct a new 5,000 Square Foot transient barracks on the Maine Air National Guard Base in Bangor, Maine. Project scope requires the following disciplines: Civil, Structural, Electrical, Architectural, MEP and Fire Protection/Life Safety. Installation of a Building Automation Control System (BACS) is included in this project.

Responding firms must comply with the detailed *RFQ Information for Architects and Engineers* on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities>
